

Financial Basics Foundation Resource Guide

<http://financialbasics.org.au>

OPERATION FINANCIAL LITERACY (OFL)

[Operation Financial Literacy](#) is a 12-module secondary school resource for teachers, which combines classroom, community, web and research based activities. It includes teacher notes, curriculum mapping notes, lesson plans, power words (glossary), extra resources and student activity sheets.

To access OFL materials:

1. [Login](#) to your Financial Basics Foundation account.
2. Click on the 'Find Resources' button on the Operation Financial Literacy spotlight.
3. Search for materials using the 'FIND A LESSON' search bar or scroll down to view the contents in each of the Operation Financial Literacy modules.

OFL download options:

- Download the entire 12 modules of Operation Financial Literacy as one pdf.
- Download each module separately.
- Explore the topics within each module and download individual activities.

EXPLORE ONLINE

Curriculum Mapping Notes		
MODULE 1		Goal setting - having a financial plan
MODULE 2		Income - where does it come from?
MODULE 3		Budgeting - managing your money
MODULE 4		Insurance - managing risk
MODULE 5		Credit - making it work for you
MODULE 6		Taxation - everyone pays
MODULE 7		Banking - how does it all work?
MODULE 8		Investing - where do I start?

FINANCIAL LITERACY IN PRACTICE (FLIP)

FLIPs are open access classroom activities that address current financial issues. Each FLIP contains a short blog, resources on the chosen topic, as well as teacher notes and student worksheets.

To access FLIP materials:

1. Go to www.financialbasics.org.au
2. Follow the menu selections to open FLIP topics:

Current FLIPs:

- Slaying the Debt Dragon
- Identity Theft
- Setting Financial Goals
- SOS!!! Smart Online Shopping
- FinTech & Gamification: Changing the face of banking

FLIP: Setting Financial Goals

Teach your students good savings habits and uncover the benefits of compound interest. This FLIP is designed to complement Operation Financial Literacy [Module 1: Goal Setting](#).

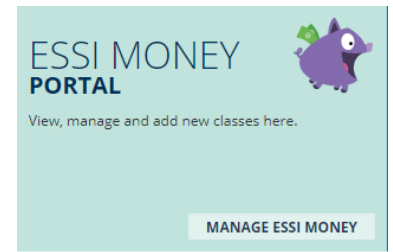

ESSI MONEY powered by Suncorp

Setting up an ESSI Money game for each class is a quick and easy process.

Step 1:

[Login](#) to your Financial Basics Foundation account.

Click on the 'Manage ESSI Money' button in the ESSI Money spotlight.

Step 2:

Create a class by completing the 'ADD A NEW ESSI MONEY CLASS' form.

Ensure that you **choose the appropriate game type**, either 'ESSI MONEY' (basic game) or 'EASY MONEY PLUS' (advanced game).

ADD A NEW ESSI MONEY CLASS

Class Name

Subject
 Economics Business
 Maths Commerce
 Other

Step 3:

All of your registered games will appear under Registered ESSI money classes. You will need to provide this 'GAME LINK' to your students.

It is suggested you use a URL shortener and share this link.

Students use the Game Link to register as a new user - using their school email as their username - or log in as an existing user. Once registered they can continue to use the same log in to access games for any class link in any subject.

REGISTERED ESSI MONEY CLASSES

CLASS NAME	SUBJECT	YEAR	
2022 Merge Standard	Business	Year 9	ESSI Money
			GAME LINK TEACHER DASHBOARD DOWNLOAD REPORT

To view your Teacher Dashboard (includes class leaderboard, quiz results, diary entries and more):

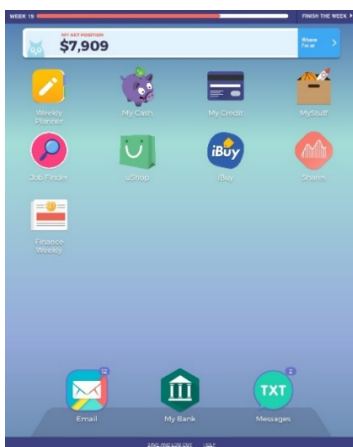

Click on the 'TEACHER DASHBOARD' link to view your class scoreboard and student game activity.

Student results appear on the scoreboard after they complete 'Week 1' of the game. The scoreboard is refreshed and updated approximately every 15 minutes.

To download a copy of your class gameplay summary as a spreadsheet:

Click on the 'DOWNLOAD REPORT' button and save the report to your computer.

Welcome to ESSI Money powered by Suncorp.
