INFORMATION YOU SHOULD KNOW

- This service requires that only teachers and/or parents can create an account.

TIPS FOR PROTECTING PERSONAL INFORMATION

Practise and teach safe online practices (see below)

Account creation and use

Students may use their Department email address but should **not** use their Department sign-on password when setting up an account.

Creating strong passwords

Passwords created with a combination of upper and lowercase letters, numerals and special characters make it more difficult for other people to guess.
